

Bamboo Shag Rugs

Bamboo Shag Rugs are beautifully designed with a contemporary flair to fit any commercial or residential environment. These shag rugs boast a signature lush, dense pile of traditional shag, but is woven using an innovative bamboo/cotton yarn blend. These shag rugs softer and silkier than traditional shag rugs made from wool, cotton or synthetic fibers.

These rugs are softer than cotton with a natural sheen similar to cashmere and silk. The rug pile is a blend of 80% bamboo and 20% cotton and the backing is 100% cotton canvas with natural latex. A rug pad is recommended.

Bamboo is one of the most renewable, sustainable and eco-friendly natural resources on the planet and its versatility is practically limitless. These rugs are naturally antimicrobial and antibacterial which promotes a healthy environment in your home. Bamboo yarn is hypoallergenic.

- Azo-free dye is used exclusively which is non-toxic and friendly to the environment.
- 2,550g/sm for superior heft and a plush look and feel.
