

## Rubber Drainage Matting

Rubber Drainage Mats are heavy-duty, durable rubber mats, designed with a low 1/4" profile for low door clearance and beveled edges to help reduce trip hazards in high traffic indoor / outdoor areas and meet ADA requirements.

The unique raised surface design provides added traction even when wet. Dirt and debris are contained within the trenches of these rubber drainage mats while moisture flows out through the drainage holes.

- Constructed of 100% skid-resistant nitrile rubber making these floor mats oil, petroleum and grease proof.
- These rubber floor mats are easy to clean: simply sweep, hose off and hang dry or even commercially launder them.
- Mats have excellent anti-fatigue characteristics for added comfort and improved ergonomics.
- These drainage mats contain an anti-microbial treatment to help protect against degradation from micro-organisms while minimizing the potential for foul odors.
- Rubber Drainage Matting is ideal for: shower stalls, pool areas, decks, saunas and locker rooms.

### Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
2' x 3'	\$40.78	\$39.56	\$37.96	\$35.88
