

## Waterhog Car Mats – Personalized Design

Personalized Design Waterhog Car Mats offer the same rugged durability of the traditional waterhog entrance mat but designed with a universal fit to hug the floor of your car, truck, van or SUV.

- Both front and rear waterhog car mats are available along with heavy-duty cargo mats to protect your vehicle.
- The polypropylene surface of these waterhog personalized car mats is stain/fade/mildew resistant & will not fade or rot.
- **View all mat measurements by clicking on small images.**
- Waterhog car floor mats are constructed with a heavy-duty, solid rubber backing that grips the floor and prevents moisture from leaking through.
- A water dam border helps these waterhog personalized car floor mats keep the water and moisture on the mat and off the floor of the vehicle.
- Waterhog Car Mats are designed to hold up to the most extreme environments and come with a 5 year warranty.

**NOTE: Rear Mats and Trunk Mats do NOT have any lettering and only display the chevron pattern.**
