

Disposable Hand Dryer Mats

Q. What is the Disposable Hand Dryer Mat?

A. An attractive restroom floor mat designed to eliminate odors, protect grout and tile and keep floors dry.

Q. What are the benefits of using our Disposal Hand Dryer Mat?

A. Kills bacteria, which causes offensive odors, keeps restroom floors cleaner and drier while reducing restroom maintenance, labor costs and slip and fall liability.

Q. What makes our Hygienic Hand Dryer Mat better than other mats?

A. Unlike other mats on the market today, the Disposable Hand Dryer Mat stays in place, will not discolor after first exposure to soaps, urine and grease, kills bacteria (does not attempt to simply mask it with a fragrance) and is easy to dispose.

Q. How does it work?

A. The Disposable Hand Dryer Mat is placed under hand dryers to absorb water spray as well as catch water under sinks.

Q. Where else can I use the Disposable Hand Dryer Mat?

A. It can be placed on the floor under water coolers, beverage machines, coffee pots, pet dishes or in your home bathroom.

Q. How do I use this Disposable Hand Dryer Mat?

- Thoroughly clean floor and grout with a mild detergent / floor cleaner and allow to completely dry.
- Peel off protective strip from adhesive tape.
- Place mat with adhesive tape edge furthest away from hand dryer and then secure to floor.

There is no need to remove the mat during mopping. MOP AROUND NOT OVER THE MAT.
