

Plastic Protector Film

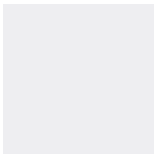

Carpet Protection Film is a safe and simple way to protect carpeted floors against dirt and spills. This economical carpet film helps mask carpeted floors from stains, soiling, dust and construction debris due to its tacky surface adhering to the carpet to keep the film in place.

- Carpet Protection Film is easy to install with no tools required - simply unroll and adhere to the carpet. Almost 20% stronger than competitive carpet films.
- Thanks to the 3mil linear, low-density polyethylene film, this carpet film stays firmly in place yet is easy to remove within 30 days and does not damage the carpet.
- Protect carpeted floors for less than \$0.12 per square foot!
- An applicator can be used to install this carpet protector even quicker and easier. Simply attach the carpet film to the applicator and it's ready to roll.
