

Premium Folding Gym Mats

Premium Folding Gym Mats are the most resilient, institutional-grade tumbling and exercise mats in the industry. This foldable gym matting is ideal for use in schools, gymnasiums, gymnastic centers and conform to the strict US Gymnastics competition standards.

The 18oz, vinyl-reinforced polyester surface is available with either a grained or smooth surface.

The heavy-duty vinyl surface is anti-fungal/anti-bacterial and, rot-, mildew- and water-resistant.

These folding gymnastic mats have 2" press fasteners (on either 2 sides end-to-end, or on all 4 sides) that allow the mats to quickly & easily be linked together to form a single, larger surface.

All covers are double stitched with heavy duty nylon thread.

These mats fold in 2' panels for easy storage and mobility.

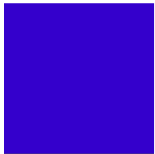

Premium Folding Gym Mats are stable and lightweight and are made with a high density, closed cell polyurethane foam core. They are extremely shock resistant and will never "pancake" after many years of use.
